THAT WASHING MACHINE.

[The following is a composition read at school by a Mayview boy. It will be appreciated in that neighborhood] There are a great many kinds of washing machines, good, bad and in-

A washing machine is a curious kind of animal; it is fed on hot water and soap and don't care how bad you use They are a great nuisance, but no agents who infest this and every other part of the globe except Africa. Every one must have partings in this world and so it is at present with a good many in and around Mayview. Here a neighbor, there a relative, and over yonder a friend, all going, going, and

will soon be gone, each the happy pos-sessor of a washing machine speech and a great deal of anxiety. There is some talk of locating the branch penitentiary at Lexington. Would it not be a good idea to locate for the benefit of the citizens who do not secure territory while they have a chance? For when the washing machine brigade marches out they will be left to mourn over their sad lot, and ament that they let the golden oppor

tunity pass by unimproved.

Happy is the agent who is bald-headed. There are a few here who had better get to clipping, for when they go to upsetting tubs and tearing things up generally, some infurated damsel will get a hold and forget to let go. Finally, ye agents, beware of dogs, SOMETHING ABOUT RAILROADS.

EDITOR INTELLIGENCER:-As the one tion of the C., B. & Q. and its extension from Carrollton south of the Missouri river vi Waverly and Higginsville or via Lexington and Odessa seems to be one of general inerest to our people, I thought a few reasons why it should and no doubt will cross the river at Lexington, would be acceptable

yourself and readers. Crossing at Waverly, a place of no imortance, and only seven miles from Blackourn, a point on the C. & A., and running on a parallel line closing up as it goes forward to Higginsville, thus leaving a country and its it to cut down its trade in addition to the

It is about 15 miles from Waverly to Hig-Mr. Fletcher and family, of Marshall, ginsville, and even at a cost of \$10,000 per Klee building. Arth was the owner of spent Thanksgiving in our little city, the guests of the family of Mr. Fletchverts and rock work for bridges. Admitting night he put the watch in his satchel. Thur that this road passes through a country unsurpassed, thence going southwest from Higginsville, having the Mo. Pacific railway on left them. He also discovered that his watch the east and the C. & A. railway on the west for the first eight miles south, thus at the supper table, where all the boarders dividing up that much more country for which these roads will contend.

evening, and eat the bountiful supper on the other hand, via Lexington, this prepared for them. The evening was spent yery pleasantly with music and siderable business, and get the benefit of a siderable business, and get the benefit of a Geyer's saloon, and invited him to take a leasant conversation. The guests left road bed some seventeen miles, to Odessa, drink, but Heckel lit out at the back door, at a late hour with many thanks to that less than \$1,000 per mile will put in their kind host and hostess for their good condition; this at same cost at which we placed road bed from Waverly to Higginsville at \$10,000 per mile or \$150,000 for the to his guilt. Heckle also left Mr. Klee in the 15 miles, would make 17 miles at \$10,000 per lurch for \$4 70 board bill. mile gives us \$170,000, less \$1,000 per mile for repairs leaves \$153,000. You run through a country equal to any and second to none crossing the Mo. Pacific at Lexington and C Martin Slaughter, Esq., has returned & A. at Odessa, not running parallel with another road on one side and the river on

the other. Again, seemingly now there is a fair chance Henry Stair will be hung in Vernon on the 15th of January. THE BRANCH PRISON.

If From the St. Joseph Grazette, Dec. 1.]

The Lexington i utelligencer emphatically opposes the location of the principle of the great coal ming interests, to which the city is largely indebted for its advancement and prosperity. Meeting i Lexington than via Kanassa City, to 81, and you care, give him a road down worth side worth of the solor in the number of cars and shired worth of the commandate and the supplies and they pulled up and then backed, getting the buggy on a lock, and thereby and they pulled up and then backed getting the buggy on a lock, and thereby and they pulled up and then backed getting the buggy on a lock, and thereby and they pulled up and the supplies to the cars of coal at rates of freight named; increase the number of cars and you increase the n
